Site Manager Landscaping (m/f/d)

Description

Our team is as diverse as our projects. Whether it's a new private garden, a large construction site, maintenance work or the construction of a biodesign pool: At Gartenidee Kuchler, no two days are the same, which is why we are always on the lookout for new team members. Whether you are a specialist or an all-rounder – your new job in gardening and landscaping is waiting for you!
